DAVIDZ

Mumbai - The most populous city in India is one of the hottest acts to have emerged from the new generation of Indian DJ Artists breaking through in recent years. VDJ DAVIDZ's phenomenal rise in 2018 confirms to tastemakers that he is set to remain a driving force within the scene. Surging his way to the forefront of the booming electronic dance music and making his mark not only with footstompin music but also blazing a trail with the remixes of his own. It's been journey of ups and downs - several rejections but he never let it bring him down. He kept working at it eventually got a club called D'Bell in Mumbai which is where his journey began. There on it's been a constant process of self-drive pushing himself to learn more and do more - and growing from D'Bell to Razzberry Rhinoceros to now India's first luxury floatel - the AB Celestial.

VDJ DAVIDZ has managed to step forward as a respected artist in his own right, repeatedly blowing away all his fans at mumbai's top clubs and bars by playing the perfect DJ sets and of course, his titanic DJ performance. His intense and energizing performances ensure his audience have a radical experience! His performances are sought all over the mumbai and have received mighty receptions in venues from some of the top famous nightclubs and bars with his dynamic sets and fully customized visuals.

DAVIDZ
